## LOTA CHIFLÓN DEL DIABLO PARK AND MUSEUM

Early in the morning we'll leave Concepción towards the Mining City of Lota, which history, customs and traditions were built on the richness of coal. First, we'll visit the Isidora Cousiño Park, touring over its beautiful gardens with galleries of mythological statues, and paths of native and exotic vegetation. During the whole visit we'll be accompanied by the "Isidoras"-tour guides dressed up in old style costumes- who will tell us about the history of the Park and the Cousiño family. Finishing this tour, we'll visit the Coal Historical Museum. Here, the "Isidoras" will tell us more about the richness that coal brought to this city. Leaving the Park, we'll get into an exciting underground adventure. By going down 40 meters under the sea level into "The Chiflón del Diablo" coal mine. During this underground journey we'll be accompanied by former coal miners who will tell us several stories and legends about this famous place. In the afternoon, we'll return to Concepción.

**Program Includes:** Vehicle exclusive for the passengers, Esquerre tour guide, Tickets to the park and museum
